Greenfield Village

TAP INTO YOUR CAN-DO SPIRIT

Experience firsthand the sights, sounds and sensations of America's fascinating formation, where over 80 acres brim with resourcefulness and ingenuity. Here, 300 years of American perseverance serve as a living reminder that anything is possible. Step foot in the lab where Thomas Edison had his light bulb moment or the workshop where the Wright brothers taught us to reach for the sky. Take a ride in a real Model T or a walk through a working farm. Rub shoulders with world-class artisans, and explore the place where America's can-do spirit inspires you to go out and get it done.

Historic Districts

Working Farms

Discover why agriculture is the backbone of America as you explore the traditional practices of century-old farms.
