

Map in a Week

You will find two pages for this project:

- A Glossary of Geography
- A Directions Grid for making map of your own

Directions:

Day 1: From left to right, read and complete the boxes in ROW 1. (You can use regular white paper or notebook paper. Whatever you have at home.) The ***Glossary of Geography*** is to help you with the 5th box in this row.

Day 2: From left to right, in ROW 2, complete all of the boxes.

Day 3: From left to right in ROW 3, complete the 2nd and 3rd boxes.

Day 4: From left to right in ROW 4, complete boxes 1, 2 and 4.

Day 5: If you can, take a picture and send it to your teacher in Class Dojo, email or their Google Classroom.

Most Importantly: Have fun and be creative! This is your country!
