

April

April Fools' Day is observed on April 1. Who in your family has the best sense of humor? Describe something funny this person said or did.

Eggs are a popular food this month. Name a food that you absolutely hate. Describe the taste, texture, appearance, and smell of the food.

Earth Day was first celebrated on April 22, 1970, with the slogan "Give Earth A Chance." Its purpose was to bring attention to our need to care for the earth. Think of a slogan for this year's Earth Day; then tell how you would promote the day.

National Library Week is celebrated in April. If you could ask anyone in the world to read a book to you, whom would you ask? What book would you read together, and why would you choose that book?

In 1910, President William Howard Taft began a new sports tradition by throwing out the first baseball of the season. If you could be a star at any sport, which one would it be, and why?
