

Perry ELEMENTARY MUSIC

Keep learning and ENJOYING Music at home!

Weeks 5 and 6

MUSIC "WARM-UP"

Challenge yourself to create some NEW MUSIC at home with the "INCREDIBOX" app/site!

- Incredibox.com

The site/app allows YOU to use *Loops* (music patterns repeated over and over) to create your own music!

The site/app also allow you to **Record** your creations (and you can send your creations to Mr. Rockafellow!

Have Fun!

NOTE/REST PRACTICE

Practice identifying music NOTES and RESTS

****use included COLORING SHEETS****

- NOTES (symbols that show sounds!)

- RESTS (symbols that show silence!)

INSTRUMENT TIME

Learn about instruments in the BRASS FAMILY!

- They have a *mouthpiece*
- You have to **buzz your lips** to make sound
- They can have *valves* or a *slide*

Youtube: "[House of Sound: Brass Instruments](#)" - Watch!

Next, go to the website below to learn more!

<https://www.orsymphony.org/learning-community/instruments/brass/>

And/Or.....

Try to **MAKE YOUR OWN Woodwind Instrument!**

Show off your Brass instrument!

(see the instructions written below)

COMPOSER CORNER

Learn about **Bach!**

Take some time to read about Bach!
(use the [attached information sheet](#)).

Or, do you have internet access and want to learn more?

Visit Classicsforkids.com and learn about Bach!
They have several audio clips about his life and other great information!

Or, try listening to some of his music with the music programs listed in the box above!

Have Fun!

Check out the **Perry Music Room Website** for more games and fun activities!

Complete assignments and projects for a chance to win PRIZES!
